

SUNDAY ONLY!

The following opportunities are available on Sunday, May 15 to help you get an early start on learning and networking!

Workshops

Take a guided, hands-on tour through an entire technical process, at the following Workshops:

Code	Title
WCL271-WRK	Introduction to Testing and Remediating Win32 Apps

Time: 10:30am – 12:30pm **Room:** B404

Code	Title
WCL271-WRK	Introduction to Testing and Remediating Win32 Apps

Time: 1:00pm – 3:00pm | 3:30pm – 5:30pm **Room:** B404

Workshops continue Monday through Thursday. Check myTech-Ed for topics and schedule.

Professional Career Development Seminar

Registration fee \$99*

New this year! Join distinguished industry leaders and noted Microsoft speakers in discussions about how you can re-tool your technical skill set and business acumen to create personal career insurance. Get tips for embracing new technologies such as cloud computing and mobile development and management. Learn ways to help effectively communicate the value of business and technology decisions to get buy-in from various stakeholders within your business.

Time: 6:30pm – 9:00pm **Room:** B405-406,407

*If you are not currently registered for pre-conference seminars, this session requires registration and an additional fee of \$99 to attend.

Tech-Ed 101

Get an overview of everything happening here at Tech-Ed, so you can better plan your conference schedule.

Time: 1:00pm – 2:00pm | 4:00pm – 5:00pm **Room:** Hall B1, B103

Certification 101

Learn about selecting a Certification Path, preparing for exams and the benefits of becoming an MCP.

Time: 2:00pm – 3:00pm | 5:00pm – 6:00pm **Room:** Hall B1, B103

Study Hall and Certification Testing Center

Join the community of Microsoft Certified Professionals (MCP)! Take a Certification 101 session, attend a Cram4Exam session, access Practice Tests and study materials in the Microsoft Learning Study Hall and sign up to take an exam while you're here at Tech-Ed.

Sign up at www.prometric.com/microsoft/teched.

Time: 12:00pm – 6:00pm **Room:** B315, B316

Hands-on Labs

Experience a Microsoft product or technology by working at your own computer station, at your own pace, the support of experienced Technical Learning Guides (TLGs). For a complete list of available labs, check the Catalog on myTech-Ed.

Time: 12:00pm – 6:00pm **Room:** Hall B1

Conference Store and Bookstore

Shop early for the best selection of the latest gadgets, souvenirs, apparel and Microsoft hardware products in the Tech-Ed Conference Store. Pick up books from your favorite speakers in the Bookstore, which offers a comprehensive selection of the latest titles.

Time: 12:00pm – 6:00pm **Room:** Hall B2
